

The Perfect Posey

Congratulations on your engagement and thank you for considering The Perfect Posey! This is such a special time and flowers are such an integral part of your wedding! We take pride in providing the highest quality of flowers to create beautiful floral pieces for your special day!

To tell you a little bit about my company....I am not a stand-alone floral shop, rather, I just specialize in weddings and special events. I'm a full-service florist which means that I design and create your floral arrangements, deliver them to the church/venue, set everything up, and come back after the reception to pick up any items that you might rent from me (i.e., lanterns, votives, candles, florals left behind, etc.).

Below, please find my most common price points for several items:

Boutonnieres - \$17

Corsages - \$25

Bridal bouquets - \$200

Bridesmaid's Bouquets - \$85

Centerpieces - \$50-\$85 for lower centerpieces and \$125-\$250 for tall (larger) centerpieces

Floral Crowns - \$75

Rose Petals for Flower Girl Basket - \$20

Cake Flowers - \$30

Toss Bouquet - \$50

Bud Vases - \$15

Garland - \$13-17 per foot

Aisle Ends - \$20

There may be other items I haven't included, but this represents the most common items requested. Please keep in mind that there is also 7% sales tax, and a delivery, production/installation and clean up fee that varies by the venue and wedding weighing heavily on how much work needs to be done, if there is a flip of the room, etc. Additionally, there is a \$3,000 minimum investment for months April – June and September – November. However, if the florals can be picked up and an installation isn't necessary, the minimum investment is waived so there is flexibility in meeting other budgets.

I've attached an information sheet if you would like to look it over and set up a consultation. My consultations are free of charge, and at that time, I'd be more than happy to provide you with a quote. Or, if you prefer, you can send me your inspiration photos, and I'd be happy to quote those items for you!

Please let me know if there is anything I can do for you, or if you would like to set up a consultation!
