02 THE CEREMONY BIG 3 *Featuring our top rated acts at A.C.M.E. (we have more!)*

GUITARISTS **(The Chill Duo)**

The strumming of strings during a ceremony is one of the pleasant sounds that can really set a calm tone and give a great start to your big day. One of our top acts (Chill Duo) has glowing reviews for setting a lovely tone and feel to kick things off. The guitar and mandolin combo is a perfect choice if you want that fairytale feel to your ceremony.

PIANO PLAYER **(Oksana Harhay)**

Outside of the guitar nothing sets the mood of a ceremony quite like a piano. What is great for your dollar is that if its packaged with the *Dueling Piano* option for the reception (see next page) you save money and take care of two parts of your wedding with this one choice. Our players can also play specific songs for the procession from an iPad if need be.

INSTRUMENTALISTS **(Tony Exum Jr.)**

We are seeing an interesting trend starting to happen at A.C.M.E. and that is the request for saxophonists during the ceremony or for proposals! To answer that call, we have brought together some of the best varieties & styles that have been a big hit to put that unique touch on your wedding.

WEDDING BANDS **(The Martini Shot)**

While wedding bands are the higher end of the price spectrum for wedding entertainment, you can't ignore the intense energy they bring. In our stable, we have chosen Award Winning bands that make your guests feel like they are at a concert venue! From Classic Rock to Ska-Pop, A.C.M.E. has it all!

WEDDING DJ's **(DJ Rocky Ross)**

A DJ has always been the go to standard for weddings historically. It's a quick and price friendly decision for most. But if you're going to have one, you need the most attentive, dance floor packing talent for the money. Our DJ's are high profile in the nightclub scene, and current on what's hot and what's not.

DUELING PIANOS **(Various Players)**

If you have ever been to a Dueling Piano Bar, you know how much fun & energy these shows are. If you haven't, imagine combining a DJ, comedian, & band as well as an emcee! It's the most unique, complete, & popular price friendly package option we offer at A.C.M.E.

04 Price Range Guide

AFFORDABLE TOP TIER TALENT

At A.C.M.E. Talent & Event Co we like to see ourselves as the "Outlet Mall" of Wedding Entertainment. Top brands, great prices, all in one location.

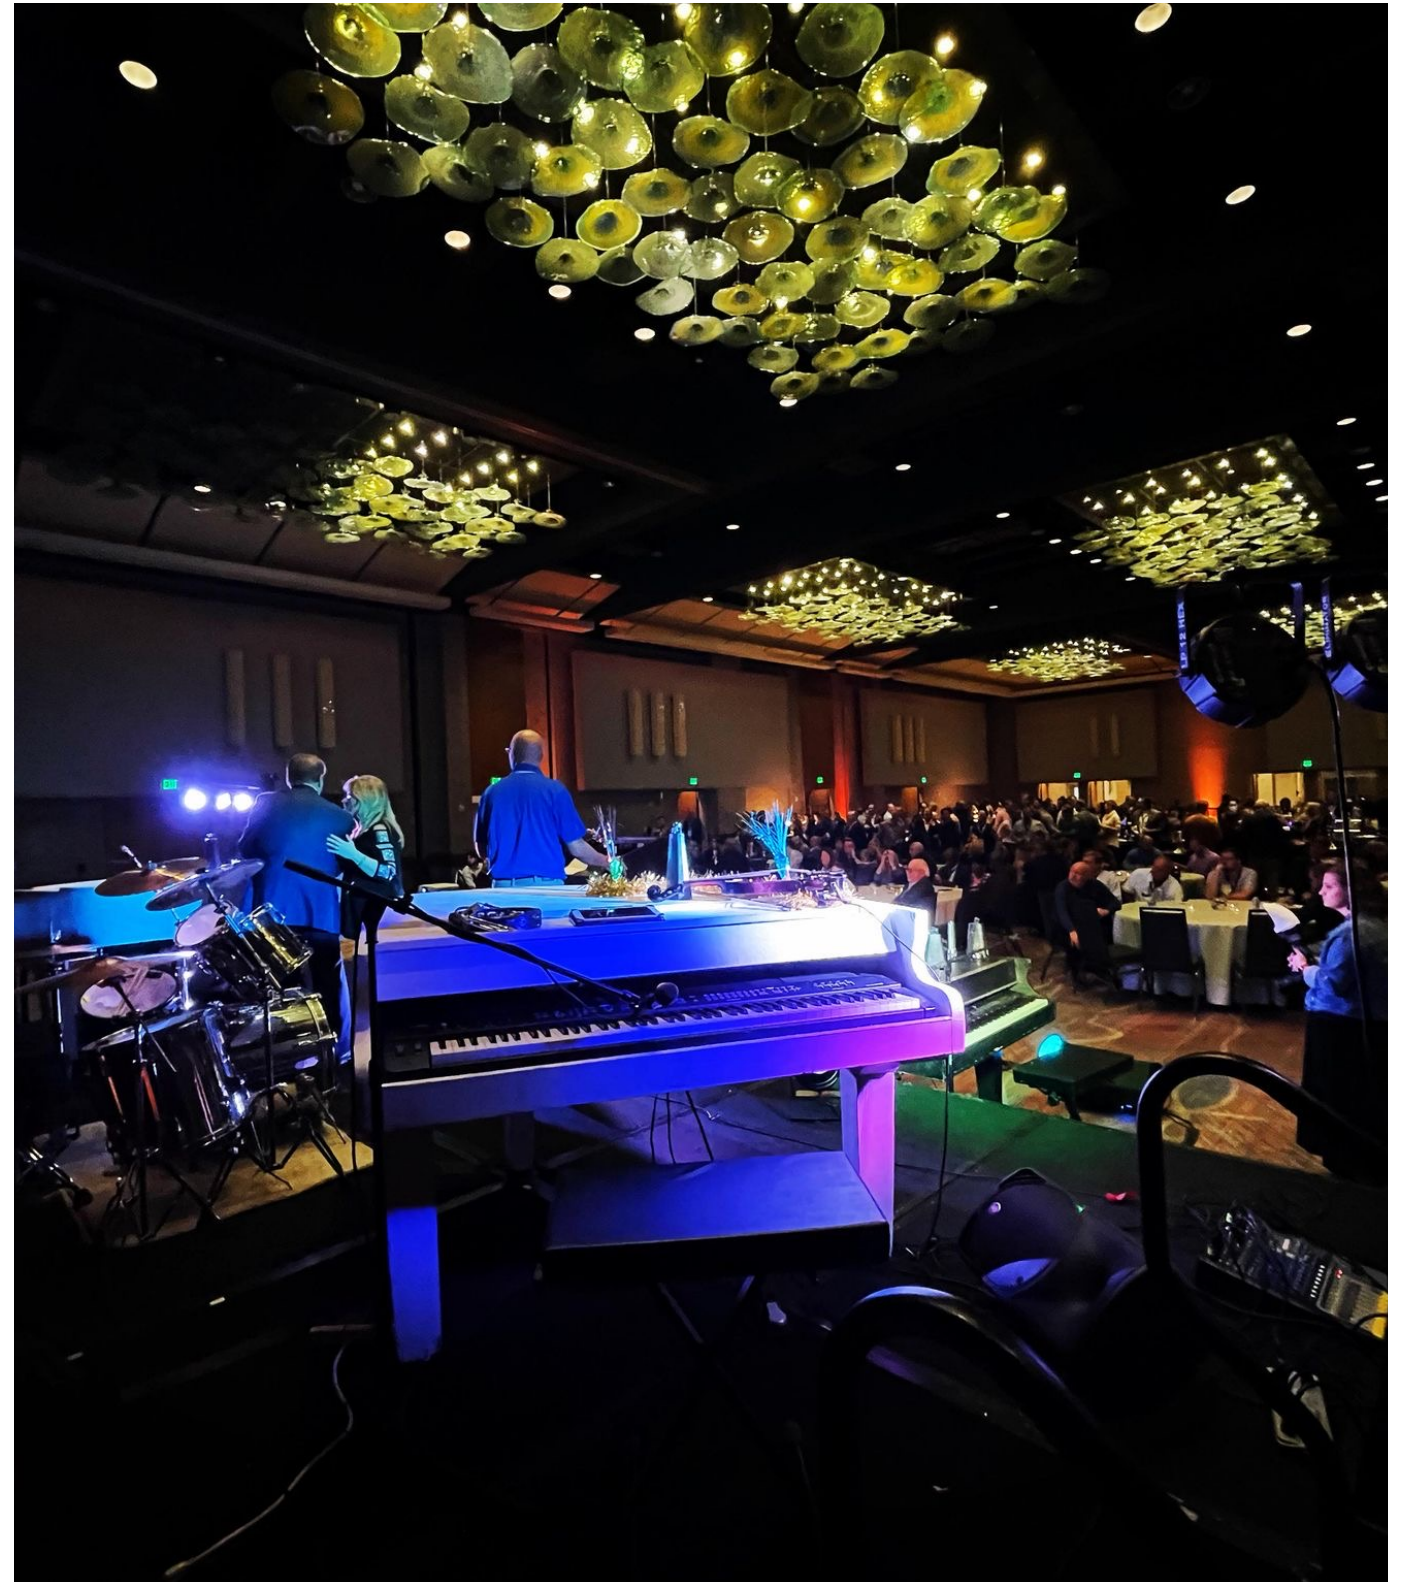

Keep in mind that successful wedding music requires a lot more than just talented musicians. Expenses come with equipment, traveling sound technicians, road crew who will set up and pack up, etc as well as the skyrocketing price of gas in 2022 we are all facing recently.

Our base prices are established within a 60 mile range from Colorado Springs. The top part of our range is established in going to the edges of Colorado. The easier the access to unload equipment will result in the best price.
