

HELLO!

Thanks for taking the time to review our pricing! Wedding planning can be overbearing at times, which is why we believe in simple pricing that makes sense to everyone from the flower girl to Grandma, and doesn't include any hidden fees or buried gotchas on the back end. What you see is what you get!

OUR PROMISE

You know you want great images...

But what you may not realize is you need a great experience with your photographers more than anything! That is exactly what we promise to give you. We are always so thrilled when our clients rave about their experience with us because to get the beautiful photos you're looking for, you have to feel comfortable with the person taking them.

THE EXPERIENCE

What's included in your wedding experience and why:

We have structured our wedding experience very intentionally. Everything we offer and recommend is a strategic part of an overall experience that leads to what our couples ultimately desire: genuine, timeless and joyful images. The most intentional aspects include

8 Hour Minimum

We have found that for a traditional wedding day, we need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.

Complimentary Engagement Session

We include a complimentary engagement session because this is our opportunity to get to know you and empower you to feel comfortable in front of the camera.

Two Photographers

We are a package deal! Your experience and day is so important to us, and for us to deliver on our promises, it takes two!

Thank You!

We're so glad you contacted us! Enjoy this new season of your engagement! Plan and prepare, but always remember that when it's all said and done, all the food, the florals, and the details will fade away. Once your last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Again, congratulations on your engagement and we look forward to hearing from you!
