HELLO

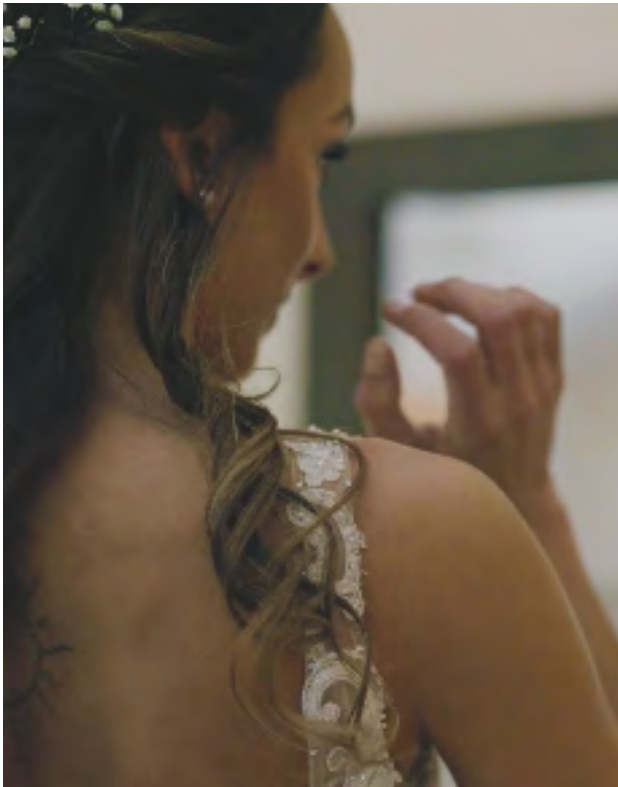

## I'M CHRIS CUCINOTTO

Thanks so much for inquiring with us about your wedding film services. In the ten years of filming weddings, we've grown a lot. Originally, I got my start in weddings helping a music video client film his cousins wedding. Now in 2023, we film and edit

twenty to thirty weddings a year and edit all of our films in house. What clients love about us, is that we're down to earth, truly care about your love story, and that the day of we're flies on the wall so you can truly enjoy the day and be in the moment.

# HOW DO YOU WANT TO REMEMBER YOUR WEDDING?

*We deliver wedding films you can carry with you through the years.*

## The CTW Films Difference:

### HEART LED

*We truly believe in love stories and bringing them to life through video. Bringing tears to eyes and making you get chills is what we're all about.*

### HAND-CRAFTED

*Everything here is done in house. We never send any of our edits outside of our four walls. There's no factory line stuff here, only well thought out editing by the team who filmed your day.*

### CONNECTION

*From the start we learn as much as we can to get to know our couples. How they met, what they value in their wedding film, and how they'd like the day to go so there's no surprises.*

# FAQ

*With any investment, you likely have questions. I'm here for you!*

## HOW LONG HAVE YOU BEEN FILMING WEDDINGS?

I have been filming couples biggest day for roughly 11 wedding seasons.

## WILL YOU BE FILMING OUR DAY OR WILL ONE OF YOUR TEAM MEMMBERS?

It depends. If I have already been booked you will have one of my carefully selected cinematographers who knows the vision we're going for. You will get the same experience as if I had been there.

## DO YOU TRAVEL?

Yes! Of course we film weddings all over New England but we're always open to new and exciting locations wherever they might be!

## DO YOU SET UP ANY LIGHTING?

Yes. In order to give you the best looking wedding film, we use some lighting for toasts during the reception.

## DO YOU RECORD AUDIO FOR THE CEREMONY AND TOASTS?

Yes! As you'll see in any of our wedding films, we really value the soundbytes of the day as well as high quality audio. We'll work with your DJ or band to ensure we can make that happen!

## WHAT HAPPENS IF YOU GET SICK AND CANT MAKE IT?

You can bet I'll make sure one of my team members will be there to make sure everything goes off without a hitch!

## DO YOU GET ALONG WITH PHOTOGRAPHERS?

Of course. We're all on this team of making your day be the best ever! Working in tandem with your photographers is just as important!
