

Hello there!
My name is Paul J. Spetrini.
I like to tell stories.

If you're reading this, there's a good chance you're looking for a wedding photographer. Maybe you've seen some of my work. Maybe not. But if you're here, you are most likely asking yourself "Who is this guy and why should I care?" Well, here are three things about me that sum me up pretty well:

* I'm an **award-winning** photographer, writer and designer and have been involved in photojournalism in the Rhode Island area for more than 17 years.

* I have over **90 five-star reviews** from couples just like you who have used my services and recommended me to their friends and family members. That makes me one of the best-reviewed wedding photographers on both the Knot where I am four-time winner of the Best of Weddings Award (2018-2021) as well as a six-time winner of the Wedding-Wire Couple's Choice Award (2016-2021.)

* In my free time, I love nothing more than laying down on my couch and watching **Netflix**.

Why does any of this matter?

Well, if you're here looking for a wedding photographer, you need to find someone you like and someone you can work with. You need to find someone who makes you relax and smile on the most stressful day of your life. You need someone who will go above and beyond for you and treat you as more than just another paycheck or another folder of files on a hard drive. That's where I come in.

I've been shooting photos professionally for nearly two decades and, in that time, I've learned the most important thing that I can do to get the best results possible is establish a real relationship with my clients that goes far beyond the typical photographer-photographee (Is that even a word?) roles. Your day is about you, not about anyone else, and I aim to tell your story, on your terms and within your budget.

Yes, I mentioned the word budget ...

... and, no, it wasn't a mistake. It's one of the main reasons I shoot weddings. My aim is to give you quality wedding

photos at a price that fits your wedding and your budget.

I have a passion for wedding photography and I choose my clients very carefully. I am looking for regular, fun-loving couples with great personalities who enjoy having a good time and want quality photos that they'll cherish for a lifetime.

I love talking to people. I love telling stories. I want to tell yours.

So, if you're in the market for a wedding or engagement session photographer and you like my style, please read on. I'm a simple person who loves shooting beautiful wedding photos and I look forward to shooting yours.
