## A B O U T   M E

My favorite part of what I do is capturing someone's laugh. The genuine explosion of happiness fuels me! What started as a hobby filming people close to me has grown to full-time passion for creative work.

I'm an Iowa native currently residing in Salt Lake City, Utah. I enjoy creating something that makes people feel joyful, loved, & inspired. Weddings are such a special time for couples; so I'm always honored to film these moments that they can watch back to relive the day for years to come!

A romantic wedding scene set in a lush, sun-dappled forest. A bride in a white gown and a groom in a white shirt and dark pants are embracing in the center of the frame, surrounded by dense green ferns and tall, moss-covered trees. Sunlight filters through the canopy, creating a magical atmosphere. A white text box is overlaid on the upper portion of the image.

"Austin did an amazing job capturing our wedding day! I seriously can't stop watching the video!"  
- Chelsey I.

"Austin was amazing! Super attentive and fast in his responses throughout the whole wedding planning process! He made the day easy and comfortable and worked amazingly alongside our photographer. I am IN LOVE with our video he made, I still watch it often :) Thanks Austin, for capturing our day perfectly!"

- Jade S.

"Austin was the perfect wedding videographer for us! I remember debating for a few months whether or not we should hire a wedding videographer, but we do not regret the decision to hire Austin to film our special day one bit. We love our wedding video and being able to share it with family and friends that may have not been able to make it to our wedding is such a blessing. Austin did a great job capturing sweet moments from the day and pieced it together wonderfully! We would recommend Austin to anyone looking for videography services!"

- Elizabeth G.

"Austin captured our day perfectly! He was so easy to work with, has a great personality, and fun ideas to capture moments we will look back on forever. As I watch the video I am amazed at the shots he got because the day of I didn't even notice he was there. We used him as a videographer but I have seen his photography work too and would highly recommend him for either one!"

Once you decide on a video package, I can send you a contract and invoice online. You can easily sign the contract and pay the retainer payment digitally to secure your date.

### H O W   D O E S   P A Y M E N T   W O R K ?

A non-refundable payment of 33% of the total amount would be due upon booking. A second payment of 33% would be due halfway between booking and your wedding day. The remaining balance would be due by your wedding day. I use an online service for easy digital payments.

I usually arrive towards the end of the getting ready process. First thing I do is capture details of the venue, dress, and accessories. The photographer and I will be your little paparazzi team throughout the day keeping everything on schedule. Then I usually depart during the dance party or after your sendoff.

I've been capturing weddings for three years, and film 25-30 each year.

## WHAT IS YOUR TURNAROUND TIME?

You will receive your video files within 12 weeks from your wedding date.

## DO YOU OFFER WEDDING PHOTOGRAPHY?

I book a few select weddings each year for photography. I do not offer both videography and photography services for the same wedding day. If you are interested in photography rather than videography, let me know!

## DO YOU WORK WELL WITH PHOTOGRAPHERS?

Yes! For the most part, I work alongside the photographer capturing similar shots throughout the day. The photographer usually focuses more on poses, while I capture more candid & authentic emotions. I have a few prompts that I'll ask you to do throughout the day to capture some fun movement shots as well!
