about

The venue where couples don't have to
"DO IT YOURSELF" or pay hundreds for "coordination and setup"

We only offer 1 wedding a week, no rushing in or out of our venue.

Fur - Friends Welcome! From Horses to Dogs, we offer a Highland Cow Picture Package!

Staff will be onsite for your entire event.

We will work directly with your vendors for proper setup and to help the event run safe and smooth! We will provide full setup of the reception and ceremony to take the guesswork out of design and flow. We work with the ideas of the couples to make it look as what they imagined. We will also cleanup and help you pack-up on the last day.

We want to make your special day stress-free and memorable!
