POLICY & PROCEDURE

WEDDING DEPOSIT

A non-refundable deposit of \$4,000 is required for all weddings. The deposit is split into two payments, half at contracting and the other half six months prior to the wedding date. Deposits are applied toward the final invoice balance. A wedding that is cancelled within 60 days of the event day will be responsible for paying 50% of their expected event costs, including charges for food, beverage and room rental. A wedding that is cancelled within 30 days of the event date will be responsible for 100% of the expected costs. All cancellations must be submitted in writing via e-mail.

WEDDING EVENT ORDER POLICY

Wedding details and guest count need to be submitted three weeks prior to event date. Guarantees of attendance cannot be reduced after 14 days, but may be increased within reason up until five days prior to event with Club approval. All details will be incorporated into an event order (BEO) to include estimated food and beverage, equipment rentals, room rentals, service charge (24%) and tax (5.5%). Event orders will be e-mailed to the booking member or responsible party to be reviewed and approved via writing. All changes must be submitted within 48-hours of receiving detailed BEO. Once received, the changes will be incorporated into the BEO and submitted back to the member or responsible party. **Groups are responsible for contacting the Madison Club with required details by the deadlines stated above.*

NON-MEMBER CHARGES

In the case of a non-member wedding, it is necessary for a member to give the Club authority to conduct the event under his/her sponsorship. In sponsoring an event at the Madison Club for a non-member, the sponsoring member understands that he/she is responsible for any charges, costs or expenses incurred by the non-member. In the event that the sponsored non-member disputes or does not pay any charges, costs or expenses, the sponsoring member agrees to guarantee payment to the Madison Club and otherwise take responsibility for the non-member.

PAYMENT REQUIREMENTS

All event invoices will be placed on the member's account until an alternative form of payment is received. The party responsible for executing the event contract is responsible for providing billing instructions and is able to provide a credit card to be put on file prior to the event as an alternative to charging the member's account. Final invoices not being charged to a member's account, need to be settled within 14 business days. **Weddings are required to settle the full invoice balance less the deposit the week of the wedding. Day of charges will be invoiced the week following the day of event.*

AUTHORITY

The individual executing this agreement on the group's behalf represents and warrants to the Madison Club that he/she has full authority and power to enter into and perform groups' obligations under this agreement. All further agreements required to be made by the parties regarding the event must be made by this individual unless he/she notifies the Madison Club in writing that another individual may make those decisions.

FORCE MAJEURE

Subject to the Madison Club's retention of any deposit paid to it for the event, the parties' performance under this Agreement is subject to acts of God, war, pandemics, government regulation or orders, threats or acts of terrorism or similar acts, disaster, strikes, civil disorder or any other emergency beyond the parties' control, making it inadvisable, illegal or impossible to perform their obligations under the Agreement. In these situations, either party may cancel this Agreement without penalty (except for the deposit retained by the Madison Club) for any one or more such reasons state in this section and upon written notice to the other party.

SUNDAYS, MONDAYS AND HOLIDAYS

The Club is closed on Sundays and Mondays, however, private events can be arranged for a \$500 set-up fee and with the approval of the general manager.

When requesting one full bar setup, there is a minimum charge of \$350 (prior to service charge and tax). In the event that this amount is not reached, the difference of the tab will be charged. An additional fee will apply when more than one full bar is requested.

ALCOHOL REGULATION

Club personnel will make every attempt to determine the age of young individuals who order drinks and will not serve alcohol to underage guests. Any guest who, in the opinion of Club staff, have exceeded a safe level of alcohol consumption will be refused service.

DECORATIONS

The use of real flower petals is not permitted to be tossed or placed on the aisle during ceremonies. The use of faux petals is permitted. Confetti and glitter are not allowed in the Club. Open-flame candles are strictly prohibited. Banner or display items may not be affixed to any stationary wall, window or ceiling with nails, tape or any other substance in order to prevent damage to fixtures and furnishings.

Club holiday décor will remain in rooms as it is set up. Adjustments may only be made to the holiday décor with prior approval from management and an additional fee will be applied. You may discuss dates and specifics of our decor with your Event Sales Manager prior to event.

NON-CLUB DÉCOR AND RENTALS

The Madison Club will use its best efforts to take care of all outside décor items and rentals and return them in good condition; however, in consideration of the Club allowing the supply and use of outside items, the contracted couple assumes the risk of damages to such items and hereby waives any claim for liability against the Club for such loss or damage. Furthermore, the couple agrees to indemnify and hold the Club harmless against claims of loss or damage from the owner or supplier of such items.

ENTERTAINMENT

Entertainment may not perform later than 11:45 PM. One hour is allowed after the entertainment is concluded to take down and remove equipment from the Club. Any extraordinary set-up requirements will be charged at an appropriate rate. The charge will be based upon the request and agreed upon in advance of the event.

DAMAGES

Any damage to the premises or equipment by members, guests or outside groups contracted by the host during the function will be the responsibility of the host. In the event that an unreasonable amount of cleanup is required after the function, there will be a labor charge of \$30.00 per hour, per employee needed to complete the work. Vomit or other bodily fluids will result in a \$200 hazmat clean-up fee.
