(AND TO MAKE SURE YOU LOOK LIKE
A MILLION BUCKS WHILE DOING IT)

Fun fact about me – I've always been a people person! As a toddler I would wander outside to talk to anyone and everyone. I could never get enough of people, and that's ABSOLUTELY still the case.

I've since expanded upon my toddler-level social skills and let's just say that I'm known to throw a mean disco party. That being said, I approach my weddings from a "hosting" perspective. This means that whether I'm directing you or your bridal party or your family, I do everything in my power to make you feel comfortable enough to be yourself in front of the camera.

I'm known to make friends quickly, but be careful!! By the end of your day I just might just be making dinner plans with your grandparents or dancing with your nieces!

Before we get into the nitty gritty of pricing (you have to read that like *Nacho Libre*... it's the rules), you should know that I have a Bachelor's Degree in Communications from Brigham Young University. There, I specialized in creative problem-solving and four years of learning how to think on your toes will save the day when things don't quite go as planned.

Important Points

I'm sure you still have questions, so let's do this!

You can count on at least 50 images per hour of wedding-day coverage. Odds are that you'll receive more than this (because epic celebrations deserve alllll the photos!), but this is the absolute, bare-bones minimum that I deliver.

I capture a mixture of posed and candid photos throughout the day, but I always take the reins on posing your portraits, your family formals, and your bridal party. Oh, and don't worry! I'll tell you where to put your hands! (The default is generally on your partner's butt, just so you know.)

I'll also deliver about 10% of your gallery as copies in black and white. I'll make those selections from your final gallery, but if you see a shot you absolutely need in black and white, just ask!

What's next?

Here's the sitch. To book your day on my calendar, I require two things – a signed contract and a \$500 non-refundable retainer.

Let me know the package you prefer and I'll get the ball rolling with the contract!

STEP ONE

1 Return the signed contract with your wedding date and package details.

STEP TWO

2 Send over the \$500 retainer via Zelle, Venmo, or credit card. Once I receive the signed contract and retainer, you're officially booked!

STEP THREE

3 Your wedding coverage will be due in stages, with the final payment due 30 days before your wedding date. Don't worry, I'll send you the schedule and email reminders!

STEP FOUR

4 We'll plan and shoot your engagement session. I'll have the session delivered in 3-4 weeks for you to use for invitations, guest books, car magnets, oversized throw blankets, etc.

STEP FIVE

5 The week before your wedding we'll do a final consultation to walk through your timeline and make sure we're all on the same page.

Still have burning questions? Shoot me an email!
