See what our brides are saying about us:

"We could not have chosen a better venue!! Sally is an absolute doll and so easy to work with! I cannot say enough good things about this venue and this family. We have had so many people tell us that was the best wedding they'd ever been to, between the gorgeous setting and the way both of our personalities were reflected throughout the entire thing... 5 stars just isn't enough to describe how happy we were with everything!" -Haley Scott-Collins, Bride

"They made my daughters wedding such a wonderful experience! I just can't recommend Sally & the gang highly enough! If you're looking for the perfect venue for a wedding, anniversary or just celebrating this is THE place!" -Dana Rash, Brides Mother

"I can't say enough! Sally and Amber were perfect! So helpful and hands on! Would recommend to anyone who wants a beautiful setting with honest, hard working people to make it all run smoothly! Can't thank them enough!" -Nikki Stasiak-Obaugh, Bride

"We had our wedding reception at The Homestead and it was one of our best decisions! Sally and Amber where a dream to work with! I was an out of state bride so most of our communication was via email but even with this they made it so easy to communicate. I simply showed them an idea of what I wanted and they made all of my dreams into a reality. I would recommend to anyone and everyone to host their wedding and or reception here." -Courtney Stepp-Hadley, Bride
