WEDDING CINEMATOGRAPHY AND PHOTOGRAPHY
NORTHWEST IOWA + WORLDWIDE

THE *PERFECT* CHOICE

Wonder Productions is a digital media company that specializes in wedding cinematography and photography. We are based out of North West Iowa, but our goal is to continue reaching outward to all four corners of the country.

At our core, we are storytellers.

Our motto is to deliver you an experience that is out of this world. We understand that a big part of that experience is connection, so before we even arrive on the scene, we want you to think of us as your life-long best friends. We go out of our way to not just capture your day, but serve you in whatever way we can. This is one of the most important days of your life, and we always do what we can to make sure you remember it for all the best reasons.
