Alexys + DJ

"AMAZING! Amidst all of the craziness of a covid lock down wedding Cozy Captures came through with such grace and support. Not only was the photographer, Alyssa, sooo sweet and so helpful but she was able to stay clam cool and collected during such stressful times. Who would have thought your photographer could become such a strong support during your wedding, Cozy Captures delivered. Alyssa, truly listened and understood what my vision was and took every suggestion and desire and enhanced it! All I wanted was somebody to capture some of the special moments, and what I got was somebody not only to snap those shots, but who also added so much fun, and joy to the moments themselves. Thank you from the bottom of my heart!! For making my day even better!!"
