

Marci Curtis - Michigan Wedding Photojournalist

Current Pricing

All packages include the following;

- You OWN the wedding photos and may use them however you'd like!
- EDITED (for color correction, contrast, exposure and clarity) and ready to use HIGH RESOLUTION digital files are uploaded online for downloading and/or printing. I usually average over 1,000 delivered wedding photographs.
- Print directly from my favorite professional lab or print them yourself. YOUR choice.
- Digital Files are ready within TWO FREAKING WEEKS of your wedding day!
- Social Media sneak peeks posted as soon as they are ready. I post on social media for all 8 and 10 hour weddings and shorter packages if time allows.
- Photoshopped retouches for up to 10 of your favorite wedding photos. The photos look so good, only one client has ever used this benefit!
- UNLIMITED email consultations to work on timelines to maximize your FUN.
- Collaboration with you to CUSTOMIZE your day according to YOUR needs.
- Professional, award winning, five-star and experienced photojournalist's coverage throughout the day.
- Multiple locations are fine.

- - FREE mileage up to 50 miles from Troy (otherwise it's \$50 to travel 50-100 miles from my home).
- When time allows, I set up a slideshow during the reception highlighting my favorite wedding photos from your wedding day so far. Only available for the 8+ hour weddings.
- My stellar reputation after photographing over 1,300 weddings and having over 1,300 ecstatic couples who love vouching for me!
- If you're looking for add-ons and bells and whistles, please scroll below my Detroit wedding photography pricing guides. If you're planning a short, small wedding, keep scrolling even farther! It's all there.

Please Pick The Package That Fits Your Needs:

10 Hours Coverage

The Breather Package

\$3,300 - One photographer - Me! Perfect for couples with a noon or 1 pm ceremony start time or have a really late dinner planned. This one offers a bit of breathing room in the schedule. I will be your photographer.

8 Hours Coverage

The Popular Package

\$2,900 - One photographer - Me! Great for couples who have ceremonies starting later than 2 o'clock. This meets 90% of my clients needs. I will be your photographer.

6 Hours

The Skinny

\$2,500 for 6 hours of continuous coverage with one photographer. Printing and download rights of edited, high resolution digital files included. Myself or fellow photojournalist Rodney Curtis will be your photographer.

4 Hours

The Quickie

\$2,000 for 4 hours of continuous coverage with one photographer. Printing and download rights of edited, high resolution digital files included. Myself or fellow photojournalist Rodney Curtis will be your photographer.

2 Hours

The E-Lope

\$1,500 for 2 hours of continuous coverage with one photographer. Printing and downloading rights of edited, high resolution digital files included. Only available M-TH or within a month of the wedding if it's on a Friday, Saturday or Sunday.

A La Carte Add Ins:

Add A Second Shooter

Totally Unnecessary But Available

+ \$1,000 - Add in a second shooter to either of the top two packages. None of the images you see on my website are from weddings with a second shooter. I shoot 99% of my weddings solo.

Engagement Session

Shot On Location

\$350 for my wedding clients. My couples tell me this is a great way to meet me, get to know each other and learn to speak *Marci* fluently. You'll be amazed how great you look!

Add An Extra Hour

Padding If You Need It

\$400/hr. for any of my wedding clients needing an extra hour of coverage. This can be added on the day of the wedding if need be.

Wedding Albums

Flush Mount or Lay Flat

\$1000 for either one large 14x11 inch flush mount album with 40 sides or one large 14x11 inch lay flat album with two smaller (11x8.5) identical parent albums. These are hand designed to your taste and the material alone are quite expensive. I'm happy to point you in the direction of fun DIY albums if you'd prefer.
