## BETSY

From an old farm truck in South Carolina to a beautiful booze truck in Oregon, Betsy has undergone quite the transformation. Fully stocked with six keg taps, a wet bar, brick backsplash, and reclaimed wood tables and staff.

## ROSIE

She is an adorably petite, all-white 1947 International Milk Truck with four keg taps, running water and reclaimed wood bar. She is our year-round beauty that fits inside almost any space with a garage door.

## TIPSY

Topsy is a 1956 Boles Aero travel trailer. Her interior has been fully restored using reclaimed red cedar and hickory. The buffed aluminum exterior is original and in excellent condition. Topsy is fully equipped with 4 taps, a keg cooler as well as refrigeration for wine and other beverages.

## BELLA

Bella is a 1984 Piaggio Vespa Originally from Italy. Imported in 2020 she now features custom wood cabinetry, two stainless steel taps and a whole lot of character. The smallest vehicle in our fleet, Bella can fit into all kinds of spaces including backyards, lobbies or any building with a double door.
