

## Josh Klaus Music Pricing

Thank you so much for considering me to play at your wedding! Here are my pricing options just to give you an idea of the services I provide:

1 hour- \$500 (ceremony)

2 hour- \$850 (ceremony+Cocktail Hour)

3 hours- \$1250 (Ceremony+Cocktail Hour+First Dances/Portion of Reception)

6 hours- Music for the whole night plus DJ set- \$2600 (Live Music for Ceremony+Cocktail Hour+First Dances+Reception+DJ Set+Emcee)

I have enough speakers to set up sound equipment in 3 separate locations; usually one for ceremony, one for cocktail hour and one for the reception. These setups are included in the prices above! In order for me to use my equipment properly, I need access to a grounded outlet so we can check with the venue/coordinator to make sure we have appropriate power.

For the ceremony, I am able to provide a lapel mic for the officiant and handheld wireless mics for readers (if necessary). For \$100 extra, I can learn/play songs that aren't on my list as the bride, bridal party, etc. walks down the aisle. I learn up to 3 new songs for this amount and I need 2-3 weeks notice.

For cocktail hour I play an upbeat setup for my playlist that I have on my website! Feel free to pick and choose songs you'd like me to play during cocktail hour but I usually read the room and pick songs according to that!

For dinner, I play live music for about the first half of dinner (usually slower songs) until I see that everyone has gotten a plate and has eaten.

For the DJ set, I send you a questionnaire that allows me to get an idea of the flow of the evening as well as what songs you like, don't like, so we can craft a great playlist that gets everybody on the floor! I want everybody to feel good, dance, cut loose, and have a good time. I also provide a DJ lighting package (8 uplights and 1 set of vertical lights)!

To secure the date, I'll send over a contract and I'll need \$X paid to me via Venmo (@joshklausmusic) or another payment method that works for you!

Let me know if you have any questions and I hope I can help make your wedding day the best day!
