capture the memories for
a lifetime

For Every Love Story

MY PHILOSOPHY

There's something incredibly powerful about seeing two people declare their love for each other surrounded by friends and family, and being able to freeze those moments in time through photography is a privilege that I take very seriously.

I believe that every couple has their own unique love story to tell, and my goal is to capture those stories in a way that is authentic and true to who they are. From the tears of joy to the moments of pure elation, I strive to capture every emotion so that my clients can relive their wedding day for years to come.

Whether you're planning a grand celebration or an intimate elopement, I would be honored to be a part of your special day and to capture your love story through my lens.

HI, I'M EZRA!

FILM + DIGITAL PORTRAIT PHOTOGRAPHER

I'm Ezra, a photographer, artist, world traveller, Thai food-lover, and yogi. I started as a professional photographer a few years ago after studying art in college, and I've only recently opened up my very own business, Ezra Enzo Photography...and I've loved every second of it. The best part of my job is getting to know my clients, hearing their stories, and making memories to last.

Working between film and digital, for all occasions and celebrations, I love getting creative for each and every shoot to make sure it's tailored just for you. I'm based in Rhode Island, but I am more than happy to travel wherever you need me!

WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos within 24 hours of your day (I know you're anxious to 'gram!). For engagements, photos are delivered within 1-2 weeks. Weddings are delivered within 2-4 weeks.

DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. an engagement sesh is the perfect time for us to hang out & spend time together before your day! it's also a great way to get comfortable in front of the camera, and practice makes perfect. it's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

A full-page photograph of a bride and groom walking away from the camera in a grassy field. The groom is on the left, wearing a dark suit and tie, looking back over his shoulder at the bride. The bride is on the right, wearing a white lace wedding dress, walking with her arms slightly out. They are holding hands. In the background, there is a low stone wall, some bare trees, and a cloudy sky. The text 'FREQUENTLY ASKED' is overlaid in large white serif font on the bottom left of the image.

FREQUENTLY ASKED

DO YOU TRAVEL FOR WEDDINGS?

Yes! I would be more than happy to (literally) go the extra mile for you if you're planning to celebrate outside of Rhode Island. Travel fees will apply for destinations >30 minutes from Providence. Depending on the type of photoshoot required, travel fees may include accommodation and flights. Please reach out to me with any questions or price estimates if needed.

DO YOU GIVE US THE RAW PHOTOS?

Nope! I don't send any un-edited/RAW files! Most of the magic happens during the editing process, so without that step your photos are only halfway done!

WHY INCLUDE A 2ND PHOTOGRAPHER?

While I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. They can provide another perspective to your day and an alternate angle of every situation! we can chat more about this option on a consultation call.
