On-Site Services and Installation

For larger events with installations that must be designed at your venue (\$5000 budget or more), we offer on-site services and/or breakdown and rental return services for additional cost proportionate to the amount of labor and travel required.

We offer completely custom design services for our full service events, so cost is determined after consultation. Please see the other side of this card for à la carte pricing for designs available for pickup or delivery as a guide to our base pricing for individual designs.

**We offer rentals from our inventory of
arches, pedestals, vases, etc.
Inquire for details.**
