

Wood Fired Flatbreads

2019 Wedding Catering Summary

Catering Packages

We offer multiple levels of catering packages – Petite, Mezzo & Grande - for wedding-related events including receptions, rehearsal dinners and bridal showers. If these typical catering packages don't fit your event's needs – please call to discuss. We can accommodate almost anything – more serve time, extra servers, clean-up...whatever is needed! Most of our customers pick one of our catering packages and then customize it to meet their vision. These packages can be tweaked and added to from our list of great salads, scrumptious appetizers, amazing specialty pizzas & flatbreads and exceptional dessert pizzas & sweets.

Petite - \$13.50 per person

The Petite package brings our Classic Pizza menu – including our Formaggi and Bianco - to your event. Each package includes our home-made cheese blend of mozzarella, provolone, asiago and a bit of sharp cheddar plus 5 of our Classic Toppings. If you want more options, additional toppings can be added for a small charge. If what you want is classic wood fired pizza, the Petite package delivers.

Mezzo - \$15.50 per person

Our Mezzo package includes everything in the Petite package (Formaggi, Bianco, 5 toppings) plus our customer favorite Margherita pizza. We keep our Margherita recipe close to the traditional old-world Italian recipe, using fresh mozzarella, a crushed tomato cacciatore sauce and our home-made garlic parmesan oil to give the flavor a little kick. After the Margherita comes out of the oven, we finish it with fresh basil and it is ready! This is great wood fired pizza combined with the classic, old-world elegance of the Margherita.

Grande - \$20.50 per person

The Grande package is meant to provide more than an entrée course for the event. It includes an Italian salad, all pizza & toppings included in the Mezzo package and one specialty pizza option. Many customers pick a dessert pizza as the specialty option providing a complete salad-entrée-dessert meal. If a dessert pizza is selected, we make it near the end of the event's food service time.

Classic Toppings

Each of our Wedding Catering packages includes five toppings from our Classic Toppings list at no extra cost. Additional Classic Toppings, and any of our Specialty Toppings, can be added for a small charge. If you are interested in adding any toppings (additional Classic or Specialty Toppings) beyond what is included, refer to our Menu page at woodfiredflatbreads.com for more information, offerings and pricing.
