Allow me to introduce myself! I've been happily married for six years and am a proud mama to four fluffy darlings who rule my world. In March 2024 we will be adding a sweet baby girl to our crazy clan!

In a past life, I was a preschool teacher, shaping little minds for the future. But now, I'm on a new adventure - to add sparkle and enchantment to your big day! As part of Lisa's team, I'm beyond excited to work my magic and bring your wildest wedding dreams to life.

LISA DAVIS

With almost two decades of experience in the wedding industry, Lisa's passion for all things wedding has taken her across the globe, from planning and coordinating weddings to owning a bridal store and even working for a leading wedding dress designer.

Lisa's love for special occasions runs deep, and her extensive experience in event management and designing breathtaking weddings has earned her the respect of vendors in the area.

Meet me in a nutshell! I've been happily hitched for 19 years with two darling daughters and a trio of fur balls. And, oh boy, do I have a soft spot for all things Disney! My devotion to Mickey and pals even convinced me to make Orlando my home sweet home in 2023. When I'm not spinning around Disney parks, you can bet I'm chomping down on some Mexican cuisine or catching a good flick. The only things I truly miss about England are my loved ones and some quality chocolate.
