

# Capture Your Special Day

Ruby Media offers three different package options to couples looking to capture their special day. Take a look at the options below and choose the one that's right for you.

## Remember the Moments \$2,000

This is our simplest package and includes:

- A beautiful wedding film that captures your ceremony and small looks at your reception
- Any music of your choosing
- Full unedited cut of your ceremony and speeches

## Remember the Day \$2,500

This is our most popular package and includes:

- Capturing Pre-ceremony prep, Ceremony, Reception, and Send-off
- Full unedited copies of ceremony and speeches
- This package includes anything from gift exchanges to unity ceremonies
- The final product is a music montage of the entire day made using music from the different events of the day

## Remember Every Second \$3,000

This is our largest package and includes:

- Capturing Pre-ceremony prep, Ceremony, Reception, and Send-off
- Full unedited copies of ceremony and speeches
- Video Booth for friends and family to record their well wishes to the bride and groom
- Dear Newlyweds video sent to you on your honeymoon of all the well wishes recorded
- A final product that is a music montage of the entire day made using music from the different events of the day
