SERVICES

We bring the beauty services to you. That's right; our talented team travels to venue, hotel, or home to provide top-notch-quality hair and makeup artistry. We ensure you leave happy and well equipped with the tips and tools to keep you looking fabulous all-day long.

Our prices are reasonable, but our connection to our brides is what is most important. It's your day, so we love making sure we are on the same page. We take time through your preview and document step-by-step to make sure that we are recording every move we make. That way, we know exactly what to do on your wedding day.

Our services cater to but are not limited to: brides (of course), bridal parties, mother of the bride(s), mother of the groom, family members, flower girls, and so much more.

A TRUSTED TRIBE

We have a large team of hair and makeup artists that can accommodate any size bridal party, so your big day should not be a problem.

Each and every artist has closely trained with us to suit any style- from the glamorous to the minimalist. We all have experience with every age, hair & skin type, and ethnicity. Together our expertise includes everything from in-salon services to editorial fashion work.

Most importantly, we believe in continued education. We educate each other on ways of working and personal expertise, and constantly attend classes and seminars that help us fill in the gaps.
