2023/2024 WEDDING GUIDE

Congratulations on your upcoming wedding

Hi Beautiful,

Thank you so much for being interested in our work, we are flattered!

First, I want to congratulate you on your upcoming wedding!

With 10 years of experience in the wedding world, we have mastered the process to eliminate stress from our brides and make things run smooth on your wedding day.

Once your contract & deposit is received. You will receive an invoice showing your deposit has been applied as well as a text message confirmation showing your wedding is secure with our team.

My brides typically use their trial run for their engagement photos, bridal shower or bridal portraits. Bridal trial runs are not mandatory but highly recommended to ensure we achieve the exact look for your wedding day. All trial runs are performed on a Sunday, in studio.

We have several makeup artist and hair stylist that make up our wedding team here at Virgo Beauty. There is no guarantee on which artist will be booked for your wedding. We do ensure the artist booked for your wedding is the artist for your trial run.

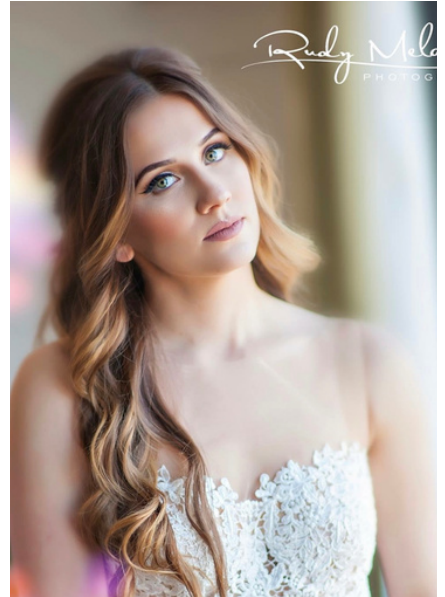

We always suggest asking your photographer what time they need your bridal party ready for pictures. Estimated time for the hair/makeup application is 45 minutes per person. With parties of 9 or more, we do send a second hair stylist or makeup artist to help things run in a timely manner.

I work with our brides personally, so you will be able to communicate with me directly at any time.

Good luck on your wedding planning!!

xoxo,

Baylee

Questions FAQ'S

WEDDING DAY

DO YOU COME TO ME?

YES! We will travel to you if you meet our minimum requirements. You also have the option to come in studio to avoid the travel fee, if you choose.

IS THERE A TRAVEL FEE?

Yes. Travel fees vary depending on your location. Refer to page 9 of this guide for travel fees.

HOW MANY PEOPLE ARE YOU ABLE TO ACCOMODATE?

Our team can accomodate bridal parties anywhere from 1-4 in studio and 5-30 on location, depending on our artist availability.

HOW LONG DOES IT TAKE FOR EACH PERSON?

This is a tough question because it varies depending on length/amount of hair, and style desired. However, as a general rule, we estimate 45 minutes per person. The more artist we send the quicker we get a bridal party completed which all depends on the size of your bridal party.

CAN I REQUEST MY ARTIST?

We have several artist that make up our wedding team, there is no guarantee on which artist will be booked for your wedding. If you would like a specific artist, we will try our best, depending on availabilty, to book you with that artist. We typically pair you with the artist that best fits your style based off of your inspo pictures submitted on our contract.

ARE CLIP IN EXTENSIONS INCLUDED?

No. There is an additional \$25 charge to install clip in extensions. We do need to know in advance for timing purposes and ask that you bring them with you to your trial run. If you would like a voluminous updo, half up/ half down or Hollywood waves, we strongly suggest extensions.
