(Personal...meet my family!)

Complete storybook wedding including everything you dream of from your wedding photographer! 300-500 edited images presented within two weeks of wedding in a password protected online album! Following that all images (same as online album but higher resolution) given to you on a flash drive with copyright release. Hours? I arrive one hour before wedding and leave when bride says we are done! Send me an email and I will save your date with a \$400 deposit, if your date is available.
