## Photo & Video

**Combine any two photo and video packages and receive a \$250 credit.**

One vendor, one contract, one timeline, and one talented team to provide you with beautiful photos and videos.

## Viewing Parties

**Each package includes a privately-hosted Viewing Party in our home studio.** We pop bottles of champagne and eat hors d'oeuvres as we watch your video and go through your photos. Open to couples and their closest family and friends (hint: mothers LOVE these!). A 10% discount is offered for all print and albums ordered at the Viewing Party.
