

## Month of Coordination

Let us take over the details, so you can enjoy your day! Month of Coordination includes 4 weeks of wedding coordination leading up to your Wedding Day plus day of coordination, including rehearsal. This is the day you have both been waiting for; don't let the day of details pull you away from celebrating your love with friends and family. You can trust we will take care of it all!

## Partial Planning & Coordination

We guide you through the process and execute the details. Partial Planning & Coordination includes up to 6-months of planning assistance plus day of coordination, including rehearsal. Let us make this process as smooth and enjoyable as it should be for each of you. We will confirm the details and timeline with your vendors and bring your dream wedding to life.

## Full Planning

We take care of all the details! Full Planning includes 12 months of planning assistance plus (2) additional pre/post wedding day events. This is the day you have both been waiting for! This is a celebration of your love for one another. We want to make the planning process fun and enjoyable for each of you. Let us guide you through the process and deliver a seamless experience for you and your guests.
