Nothing is set in stone, except your marriage! Accommodating and entertaining you and your guests is our priority. We understand that you're not in the DJ/entertaining world, so we love to listen to all your questions and your needs and wants for your special day. We'll take the time to explain, advise, build custom packages, work with your budget, and even find special requests for you. We work really well with planners and venues, love to partner up!
Oh yeah... everyone gets free sparklers or glow sticks!!
