THANK YOU FOR BEING HERE

Nice to meet you - my name is Sarah.

I'm so glad you're here!

If there's one thing to know about me, it's this: I am genuinely fascinated by people.

I find such beauty in human connection and the stories that people share.

It's why I became a photographer: using my artistic talent to document stories of love, family, and celebration is a dream come true.

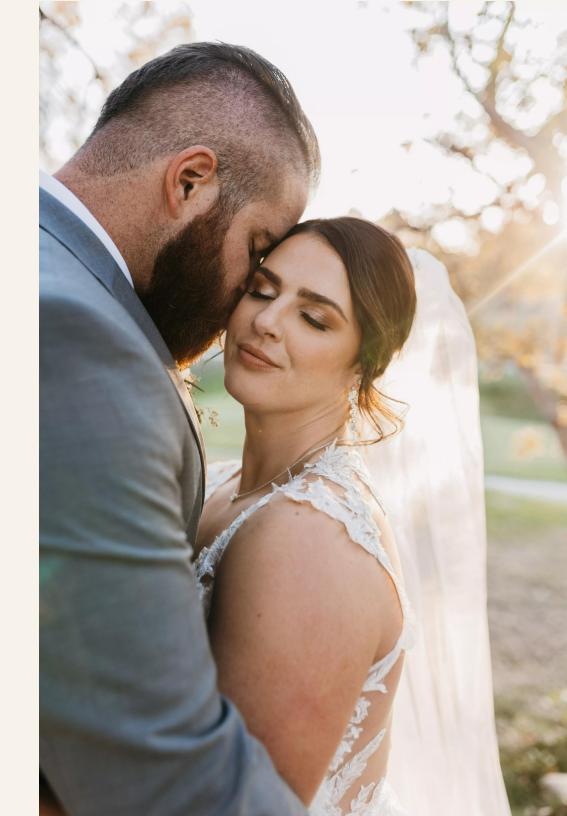

# AN EXPERIENCE BEYOND BEAUTIFUL IMAGES.

Believe me, I get it: there's so much about booking a wedding photographer that can feel daunting.

I come from Wisconsin, where we value hard work, connection, and trust. I'll work hard for you — not only in beautifully documenting your story, but also in making sure that you have a great experience.

We'll spend time getting to know each other before your wedding day so we arrive on site feeling like old friends.

FREQUENTLY
ASKED QUESTIONS

#### HOW DOES PAYMENT WORK?

I require a 50% deposit upon booking, and the remaining balance is due a month before your wedding day. My preferred payment method is having clients pay through an online client portal, but I do accept Venmo, Cash or Check.

#### IS THE DEPOSIT REFUNDABLE?

Unless otherwise notified, all deposits are non-refundable. The deposit goes towards your overall package price which secures your date in my calendar and assures that I will not book anything else during that time.

#### DO YOU TRAVEL?

Yes, I love to travel and explore new places. If you and your significant other do not live in Colorado, no fear! I will be there to capture your love story wherever that maybe!

#### HOW MANY PHOTOS WILL WE GET?

I never limit the amount of photos I give. The more hours I am booked, the more photos you can expect. That said, generally speaking you will receive around 800 for 8 hours of shooting and 1,000 for 10 hours of shooting. I can promise you will have plenty to choose from!

#### HOW WILL MY PHOTOS BE DELIVERED?

All your edited photos will be uploaded to an online gallery where you can easily download to your device or order prints, canvases, calendars, and more! For sneak peeks, I text them to you so that you have instant access!

Thank you so much for your interest!

I'm so excited for the opportunity to work with you! If you think we are a good fit and you are ready to book with me, I would love to set up a phone call or FaceTime so I can hear more about you and the vision you have for your wedding day!

If you are local to Colorado Springs, I'd be more than happy to meet in person.

After an initial call talking about all the fun details and you express you are ready to book, I will send over a contract and invoice so I can get you booked on my calendar!

LET'S DO THIS THING!!
