

WEDDING PACKAGES

The options listed below include all necessary consultation to craft the ceremony, and are relevant for New Jersey only. **Special rates** are also available in some circumstances. For pricing in other states, or to schedule a preliminary phone or video consultation (at no charge), please **contact me**. A \$50 deposit applies to Standard weddings, but *not* to Simple Signing, for which only \$50 is required at the time of the ceremony.

Simple Signing - \$50

The couple, two witnesses, perhaps a few guests, and I will meet in a home, park, or other location simply to meet the bare legal requirements. These are a declaration of intent from each person marrying to enter into the union (think of it as consent), and a pronouncement of marriage from me as the officiant. This is a very basic ceremony, which can be thought of as an elopement or a prelude to a larger wedding at a later date.

Standard (Contemporary or Traditional) - \$150

This is the regular wedding style, whether contemporary or traditional, that we are all familiar with. This format can be customized with special wording or other elements to make it more meaningful to the couple. Most weddings will fall into this category. **Please Note:** *If the wedding will take place outside of the state of New Jersey, or require participation in a rehearsal, the rate can be a bit higher to compensate for time and travel expenses.*
