

RENTAL PRICING AND ADD-ONS

Events are most typically scheduled for 4-hour periods between 5:30pm and 11:00pm. Regardless of start time, events cannot extend past 11:00pm. **Your 4-hour event begins when your guests are scheduled to arrive and ends when all guests have cleared the facility.** Pricing includes a 4-hour event, 2-hour setup, and 1-hour breakdown. A penalty fee of \$1,000 per hour or part of hour will be applied if event or breakdown exceeds contractual obligations. All rental fees are based on space usage. An actual increase in space will increase the rental fee.
