

BISON B-BATTALION

Farm to plate with America's original red meat.
Don't settle for something less than the best.

Our mission has always been to provide delicious healthy food to Northern Idaho while still providing that sense of culture here where we value good quality meat. Another goal is to provide you with great service and a meal all of your guests will enjoy. Also bison have been one of nature's best grass management providers to help promote productive native Idaho grasslands!
