

## Weddings

We understand that every wedding is different. That is why our packages are built custom to your needs and budget. We do this by beginning with your choice of 1 or 2 photographers which will determine your base price per hour. Then you can add products like albums, prints or engagement sessions to personalize the package to your wants and needs.

### 2023 + 2024 Pricing

#### **1 Photographer**

Your package begins with a base \$395 per hour of coverage at your wedding.

This fee includes the following services:

**1 Professional Photographer**

**A minimum number of professionally edited images based on the quantity of hours**

*(meaning images are highly edited and include a black & white version, ex 200 for 6 hours etc.)*

**All other images shot with basic edits**

*(high quality images without as many edits, removal of duplicates etc.)*

**Shared Printing Rights**

**Online & Mobile Galleries**

**Download all your high resolution images via password from our website**

#### **2 Photographers**

Your package begins with a base \$450 per hour of coverage at your wedding.

This fee includes the following services:

**2 Professional Photographers**

**A minimum number of professionally edited images based on the quantity of hours**

*(meaning images are highly edited and include a black & white version, ex 250 for 6 hours etc.)*

**All other images shot with basic edits**

*(high quality images without as many edits, removal of duplicates etc.)*

**Shared Printing Rights Online & Mobile Galleries**

**Download all your high resolution images via password from our website**

### 2025 + Pricing

Your package begins with a base of \$420 (1 photographer) or \$475 (2 photographers) per hour of coverage at your wedding.
