

Special Pricing For Knot.com & Wedding Wire Customers / 2024

While each wedding is truly unique and pricing can vary greatly based on how many set ups are needed, how many hours you want, how much lighting is provided – and more – we wanted you to have a basic idea of our pricing model to better help your DJ search. The items below are our most asked about services and product rentals.

With 25+ years of experience, a Hall of Fame resume and perfect 5-star reviews, we feel very strongly we offer some of if not the most competitive pricing in the industry based on our equivalent competitors! Please consult us for any questions or concerns, and perhaps we can find a way to work within your budget. We do have sister companies we can utilize if DJ Flair Entertainment is not for you!

DJ Services (1 room/location): 5 hours = \$2495

-5 hours of DJ and MC services, with speakers, dance floor lighting, DJ Façade with lights, and digital DJ Performance. Also includes access to our SECURE online planning area with timeline creation guidance, music requests and more. No charges for set up or tear down.

-Additional Speakers (for sound outside for cocktail hour on patio, in the hallway outside the reception hall, etc): \$150

Ceremony Services (in a 2nd location on site) = \$495

-If you are having the “I Do’s” performed on the site, but in a 2nd location (in the field, near the pond, by the lake etc) – you may likely need a 2nd set up. This comes with Prelude music, wedding party music, bride entrance, and exit song planning as well as lapel mics for any speakers. This special runs for up to 90 minutes, and DJ will make announcements regarding phones, family photos afterwards, etc.

Up Lighting Enhancement (10) = \$250

-Splash the room in color with our wireless/battery up lights. Ten per rental. Can be placed anywhere but work best on outside walls to create a wash effect.

Spark Packs / Cold Sparks Enhancement (2) = \$300

-Really make an entrance with our cold spark enhancement. Each blast lasts 30 seconds, and the unit comes with about 10 minutes of total EXPLOSIONS! We can reposition them for the sparkler sendoff and the first dance as well. Safe to use but require space to operate. Consult your venue prior to rental.

Classic Photo Booth – 4 hours = \$1,000

-Together with the famous Columbus Photo Booth Company, we have partnered to offer the best reviewed Photo Booths in the city. The classic booth comes with all the props you need, unlimited photo strip prints/copies, and a guest book with your pictures collected by our attendant. Ask about our 360 booth and other Selfie Station options.
