

WEDDINGS AT CIVIC

Civic Theatre Weddings

CELEBRATE WITH US

Celebrate with us

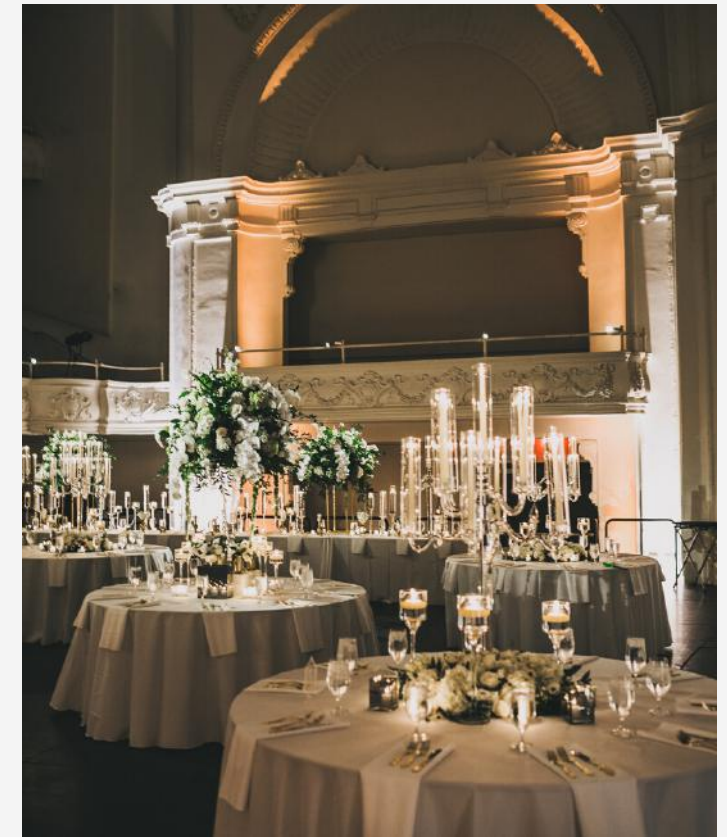

Located in the heart of downtown New Orleans, the Civic Theatre was opened in 1906 and functions as a 1,200 capacity state-of-the-art concert venue for incredible local and international performers. Modular flooring allows the Civic to transform from tiered concert seating to an awe-inspiring reception space for your wedding day! With over 10,000 square feet of event space the Civic can host elegant seated dinners or traditional NOLA style receptions for 100 to 450 guests.

Just one block from Poydras Street in the city's Central Business District, the Civic is walking distance to the French Quarter and surrounded by hotels and attractions for your visiting guests!

The Civic's beautiful original all white plaster work and unique architectural touches have been carefully preserved to create an elegant, distinctively New Orleans setting. The harmony between historic architecture and our state-of-the-art audiovisual capabilities, sets the Civic in a category all its own. Our Hospitality Team can help you create a floor plan that perfectly represents you and your vision!

Our list of preferred vendors is available to complete the design for your wedding day. They have worked in the space previously and are trusted resources. Our experienced staff and highly skilled vendors are dedicated to creating a uniquely New Orleans experience for you and all of your guests.

Testimonials + recommendations

From the moment I was interested in the Civic Theatre as our wedding venue, Cali was the most amazing help ever. She is responsive, knowledgeable, so sweet, and helped make our wedding absolutely perfect. The space alone is beautiful, but the final set up ended up looking even better than I could have ever imagined. It's the perfect mix of urban and art deco inspired design. Since it's a true music venue, the acoustics are great (the band wasn't too loud etc) and every guest we've talked to has said it was the best wedding they have ever been to. The Civic is the perfect place to have a wedding! Can we do it all again?! - Adie K

I can not say enough how amazing this venue is! Cali is the most incredible, hands-on event coordinator, the space is absolutely stunning, and the staff is always on top of things. Pretty much every single person at my wedding told me it was the best party they'd ever been to...and we had almost 300 people! - Dana B.

Our reception was at the Civic in April, and it was an incredible venue and even better experience. The Civic is unique and spacious - it has romantic, vintage charm fused with a modern, industrial style. The staff were amazing to work with, and our event coordinator, Cali, was THE BEST. Cali has a wonderful creative talent, and went above and beyond to make our event special. Cali is experienced and flexible, and thought of every little detail. She made the planning fun and manageable, and was a blast to work with. Our guests are still talking about our reception venue to this day - it blew everyone away! If we had to do it again, we would choose the Civic Theater for our wedding, hands down. - Ana B.

My husband and I got married here last Saturday and it was the best night of our lives. We are so grateful to Cali and the rest of the civic staff for making our experience perfect for us. The theatre was beautiful and set up exactly like we wanted. Highly recommended for a medium to large wedding! - Christopher S.
