TESTIMONIALS

Our daughter's beautiful, meaningful, joyful, memorable and fun wedding would not have been possible without the incredible work of Annie Sullivan and The Composed Collective. In advance of the wedding, she got us organized, she was an incredible troubleshooter, she managed communication with countless vendors and helped us handle issues we had completely missed. She worked with us to create the exact wedding vision our daughter and son-in-law had for their big day. Annie's calm presence and unflappable resourcefulness were priceless on the big day. She handled EVERYTHING so we got to completely savor every moment of this once-in-a-lifetime day. She's the best. I highly, highly recommend hiring The Composed Collective for your wedding.
