

A romantic wedding photograph of a couple in a field. The groom, on the left, is wearing a light grey suit and a white bow tie, looking down at the bride. The bride, on the right, is wearing a white lace wedding dress and is laughing joyfully, looking up at the groom. They are standing in a field of tall grass with a dense line of trees in the background. The overall mood is happy and celebratory.

# FREQUENTLY ASKED QUESTIONS

Got questions? I have answers. Here are some of the common questions I get from my couples. If there's anything you have a question about and you don't see it here, [GET IN CONTACT WITH ME](#) and ask away!

## **WE DON'T LIVE IN FL OR NEAR THE ST.AUGUSTINE AREA, IS THERE AN ADDITIONAL CHARGE FOR YOU TO TRAVEL TO US?**

We rarely charge travel fee's, currently we do not charge for anywhere in FL, GA, SC, NC, when we do it's the IRS standard for mileage which is .55 cents per mile & hotel stay for 1 night, I really will travel to where ever your wedding is within the US.

## **ARE YOU INSURED?**

I am fully insured through Professional Photographers of America and Hiscox. If your venue needs proof of insurance just let me know and I'll be happy to provide that for you.

## **WHEN DO WE RECEIVE OUR PHOTOS?**

For weddings it's typically around 4 - 8 weeks with a preview of the wedding within 24 hours. For engagements it's usually around 3 - 4 weeks. All of your images are delivered online in a private gallery and you'll be downloading the full high resolution images!

## **HOW MANY PHOTOS WILL WE RECEIVE?**

For a normal 8 hour wedding day the average is about 600-700 images, but it really depends on your day, If you plan time into the day you will get more photos, I usually over deliver on total images in a gallery, I always say id rather you have the moment & the memory then nothing at all even if its not the best photo.

## **DO YOU OFFER VIDEOGRAPHY PACKAGES ?**

YES ! We currently have a hybrid photo & video package where you get the best of both worlds 2 photographers that can take photo & video so nothing is missed, the style of video for this is more like a highlight video it includes a lot perks like drone coverage, Audio for vows, My goal with every video is to tell your love story, if you would like to know more let set up a time to chat !

## **WHAT IS THE DEPOSIT TO LOCK IN OUR WEDDING DAY?**

To officially be put on my calendar & to block your date off there would be a 25% non refundable deposit, I would first send you a proposal with a contract of everything we talk about for your day for you to review, then you would sign on the dotted line & then be able to make the deposit with your banking info, if you prefer to use a debt or credit card there would be a 2% added fee.

## **WE LOVE YOUR WORK, HOW DO WE BOOK?!**

Awesome! I'd love to hear from you! Head on over to the [CONTACT PAGE](#) and fill out the form. I really look forward to learning more about you and your relationship and can't wait to talk further! Be prepared for a very chill and stress-free experience!

## **CAN WE ADD A ALBUM ON TO A PACKAGE ?**

Yes, you can add on pretty much anything, Albums, Prints, Second Photographers, Wooden USB's, im never going to prusser you into those things, I only want my clients to have what they need to have a great day

## **WHY SHOULD WE GO WITH YOU OVER SOMEONE ELSE ?**

To be honest, I want you to go with the person you feel is the best fit for you even if that is not me, Photographers will be the main vendor that spends the most time with you on your day so you want to feel comfortable, my couples know my main priority leading up to the wedding day is building chemistry with you, that way I feel more like a guest (honorary Groomsmen or Bridesmaid) so everyone feels comfortable in front of the camera & so we can have a good freaking time lol
