Alayna James Salon Studio

Hi there, bride-to-be! I'm Jenna, the proud owner and creative stylist at Alayna James Salon Studio, and I'm thrilled that you're considering my business for your big day. Believe it or not, I've been crafting beautiful bridal hairstyles since way before I even got my license, and I still absolutely love it.

What to Expect:

Hair prep is key! After your bridal trial appointment, you'll receive a mini kit with Verb shampoo, conditioner, styling cream, and strong hold gel. The day before your wedding day, wash with Verb, then use both styling products on wet hair and blow-dry to activate the products and smooth the cuticle.

I will need each client to come with CLEAN DRY hair.

I will arrive 15 minutes before my scheduled time to set up my styling station.
