A decorative floral arrangement is displayed on a wall covered in green moss. The arrangement features a variety of flowers, including white and light pink roses, purple roses, and white orchids, interspersed with greenery and large, dried, fan-shaped palm fronds. The name "The Scasianos" is written in a white, elegant cursive script across the center of the moss wall.

WHAT TO EXPECT

INITIAL CONSULTATION

This is the most important step. We believe getting to learn more about the couple is quintessential to the process. We want to make sure we are a good fit for you. Please book using our calendly link. During the call, we will talk about wishes regarding your floristry, and then we'll put together an initial quote and proposal for you.

INITIAL PROPOSAL & LOOKBOOK

After the initial proposal has been reviewed we will send a lookbook for you to use as reference from the notes taken during the discovery call. Please take the time to review all the details

EDITS AND ADJUSTMENTS

At this stage you are able to make any additional questions, ask any questions and discuss prices and rentals

RETAINER FEE TO BOOK DATE

Once you are completely happy with the package, the retainer fee must be paid. Once this happens, you're officially booked with us as your event florist!

DESIGN

We'll continue discussing designs and changes during this stage before your event. We are open to all changes but encourage final design one month prior to the event.

DELIVERY AND INSTALLATION

For large and multiple installations like moss backdrops, archways and pillars, we require at least 3 hours of preparation time before the start of the event. This ensures that our team is able to produce high quality installations for your event!
