Second Photographer

Add a second photographer to any package length (*up to 10 hrs*) to complete the coverage you need. I am sure you will love their work and personalities as much as I do. **\$850**

Engagement Session

I budget up to 2 hours of time so we can relax, talk and get to know each other a bit. Feel free to pick a location of your choice or I can offer suggestions. An online gallery with full edited images and usage rights are included. **\$450**

More or Less Time

So you need more time, less time or something in between the listed packages...no problem. Simply add or subtract the time from any package to make it the coverage length you need. +/- **\$200 per hour**

An Assistant

They allow me to work more efficiently and creatively and allow us to better adapt to the challenges of the day. Next to adding coverage time, this is the best way to ensure your day is a success. **\$300**
