

All prices are a base package price. No two shows are alike because each experience is tailored to fit the client's needs and budget. Several factors determine the final price such as but not limited to: number of musicians, rehearsals, stage production, sound, lights, DJ/MC, travel, accommodations, etc. A Sure Thing will work with the client to give the fairest price for the entertainment services provided while ensuring **the very best** A Sure Thing live music experience for you and your guests. And that's A Sure Thing!
