I AM SO EXCITED FOR YOU AND I CAN'T WAIT TO HELP YOU MAKE YOUR WEDDING DAY MAGICAL! PLANNING A WEDDING CAN BE OVERWHELMING AND STRESSFUL, BUT IT SHOULDN'T BE! YOU DESERVE YOUR WEDDING TO BE BEAUTIFUL AND TO FULLY EXPRESS WHO YOU ARE AS A COUPLE WITHOUT IT COSTING YOU YOUR SANITY. THAT'S WHERE I COME IN. LEAVE IT TO ME TO CURATE GORGEOUS FLORALS AND TABLESCAPES SO THAT YOU CAN SIT BACK, RELAX, AND ENJOY THIS PRECIOUS DAY WITH THOSE YOU LOVE!

Nice to meet you!

My name is Samantha Sanford Young and I am a wedding florist and tablescape designer serving Huntsville, Cullman, Birmingham, and the surrounding areas. My husband and I started a flower farm in 2020 by accident.

It was originally a vegetable farm. We were going to start a CSA to provide locally grown organic vegetables to our community, but then Matt (my husband) suggested I grow a few flowers to make the CSA boxes look pretty. Before I knew it, I was spending all my time tending to the flowers and totally forgot about the veggies. There is something magical about walking through rows of flowers that you grew yourself. The beauty I experienced in the field with my flowers was like a consolation prize for all the hard things in life. By the end of that season I knew flowers were important and they spoke a language that I could feel in my soul.

Over the last two years I have given myself over to growing and designing flowers. I have taken design courses, worked at a Florist to understand the floral industry better, poured over flower books and magazines, and crafted dreamy florals for weddings and events. To say I am obsessed with flowers is an understatement. I am fully given over to their experience of beauty.

I know we just met, but I need you to understand that your wedding florals are not just a job to me. Flowering weddings is an art, and I am a fully committed floral artist. Curating florals that tell your love story is what I wake up for in the morning. I can't wait to get to know you and to tell your love story through your wedding florals and tablescapes.
