CONTRACTS are issued digitally via Adobe Sign. Please ask for a sample version to review.

RESERVATION/PAYMENT POLICY: A non-refundable Reservation Fee, calculated at 50% of the minimum charge (regardless of the total cost), is required to secure the date. The remainder, the Performance Fee, is due in two installments 60 days and 30 days before the Event.

POST-CONTRACT CHANGES: You may contract for the Basic Package now, and add hours, speakers or other services up to 45 days before the event. The cost difference will be reflected in the subsequent installments.

CANCELLATION POLICY: If we cancel, you may be entitled to a refund. If you cancel or reschedule for any reason, our contract clearly outlines the conditions under which refunds of the Performance Fee are possible.

RESCHEDULING POLICY: Weddings are our main business. Whether you book 2 months or 2 years in advance, we are promising you a certain DJ on a certain day for a certain price – it is valuable real estate.

If you must change your event date for any reason, we will do our best to accommodate. You would cancel the previous agreement and we would start fresh with a new cost estimate. If the same DJ is not available on the new date, we will present the options, and all refundable amounts may be applied to the future booking.

FAQs

What is the **DIFFERENCE** between the pricing tiers?

Rates are tiered based on factors such as the DJ's wedding experience, tenure with the agency, demand, and home market.

How does **AVAILABILITY** work?

If a particular DJ isn't available on your date, they may already be booked, have travel restrictions, or are not available that far in advance yet.

IS IT POSSIBLE to book the Basic Package now, and add hours, speakers or services later?

Absolutely! We only book one event per DJ per day, and are happy to accommodate post-contract changes with at least 45 days' notice.

What if our venue has an **APPROVED IN-HOUSE SOUND SYSTEM** or we are having a **MICRO-WEDDING**?

Please inquire - we offer a slight discount off the Basic Package rates.

MAY WE SPEAK with our potential DJ before deciding?

Yes! This is encouraged, once a scope of work has been established, a quote has been provided, and you have reviewed a sample contract.
