# Dream come True!

Let me help you make the EASIEST decision for your wedding- book Etre Farms. I have been sitting for a few days waiting for the perfect words to come to me to write for Etre and this past weekend truly was my dream come true when I think about my wedding. Guests continue to tell me how epic this weekend was which was my number one goal. From the moment I stepped onto the grounds until I left- it was pure perfection. The venue is to die for, the staff is efficient and effective. Chef Shane produced the best food I have ever had at a wedding, taking into consideration our pallets and elevating it to new levels. He was so flexible and even was able to create a vegan dish for the one vegan friend that came which was above and beyond. Finally, to the management team of Nicole, Morgan, Mark and Taylor- they are simply just the best- they take care of every detail from flowers to the transportation. Couples, become friends with them in a sense and understand how to properly design a wedding with their tastes in mind. The day of - they make you feel like royalty like a bride should. I am sure I am missing so much more that they do- but bottom line is they make your dream wedding a reality. Thank you Etre for truly giving me the best day of my life. I am so grateful for this venue and team!

## Barn Weddings Enter A New Era

Gone are the days of conventional, rustic weddings. At Être Farms, you'll find that we have elevated the concept of a "Barn Wedding" to align with the expectations of modern brides and grooms. Within our luxury venue, you'll find a sweeping event space that maintains a clean, crisp, and contemporary aesthetic.

Located in the resort town of St. Joseph, Michigan, Être farms is just a one hour drive from Chicago and only two hours from Ann Arbor. We like to consider ourselves a "Local Destination" - meaning you get the carefree atmosphere of an elopement with the elevated touches of a grand wedding celebration.

The perfect combination of cozy and lavish, our grounds feel more like those of a modern estate than a typical rustic barn venue. The venue's opulence is only enhanced by our on-site, speakeasy-inspired bar - "Seven XVI", Spirits + Soul and The Garden Bar. With space to accommodate over 300 guests, Être Farms is a wedding venue beyond compare.

## They have been so AMAZING!

"The ownership and wedding planning team behind this venue have truly took a personal and customized approach to our hopes and dreams for the perfect wedding. They have been so AMAZING and easy to work with and have provided so much helpful insight not just to planning a wedding but also to the area surrounding this venue . We could tell by their "all inclusive" approach that they want to exceed expectations of not only us but our guests as well. The attention to detail from the venue to the wedding proposal all the way to the food & beverage they are providing is far superior than "traditional" wedding venues. We are lucky to not only have found such an amazing venue but to have found such an amazing team to partner up with to plan our perfect wedding with in May 2022!"
