## The 2019 Season

### Weekend Wedding Package

Thanks for the interest in Aldworth and we are excited to be booking 2019!

At this time, most weddings are using sites in the gardens, lawns and pavilion during the June-October season. Other months are available for smaller weddings. We provide tables and chairs for up to 150 guests, along with a parking attendant. Larger weddings (max. 200) may rent extra tables and chairs from their rental company.

As for indoor capacity, our seating capacity indoors with tables and chairs is around 75 guests, which you may use for smaller weddings, rehearsal dinners, cocktails, etc.

The 2019 weekend wedding venue package, from Friday noon to Sunday noon, is \$9,900-11,300, depending on number of guests and use, plus tax.

We currently have two large lodging homes on the grounds that accommodate up to 34 nightly guests. The Lodge building has 11 bedrooms (9 queens, 2 kings). The second home (Headmaster's House) has very large common areas, along with a private king suite, and will sleep 10-12 guests. These rent for \$1050 and \$750 per night, plus tax, with a two night minimum. We may also have a third home available in 2019 for an additional 12-14 guests. Keene and Peterborough, NH are about 10 miles from Aldworth and offer hotel and inn options for your guests.

The caterers and vendors are chosen by you, but we do have a suggested vendor list to help you get started, if needed. Aldworth will be offering bar service packages in 2019, along with in-house catering options as well.

## **Deposits**

A deposit of 1/3 of your reservation will secure your date. The remaining 2/3 must be submitted 1 month prior to your reserved date. Your deposits are non-refundable once submitted to Aldworth Manor, however, you may switch dates if another available weekend is requested.
