

CHAUX EVENT PLANNERS PRICE LIST

FULL PLANNING 6.000 USD ONE DAY, ADDITIONAL DAY 1.200 USD

The full plan service provides the customer with a unique experience to sit back and enjoy the event, as the company will be in charge of both management of the intended event preparation and executing day of coordination.

This service consists on planning the wedding from scratch, from conceptualizing, looking for a location, suppliers, confirming guests, helping to choose a wedding dress, groom's suit, accessories for both, direct family dresses and accessories, making appointments and accompanying them by of a member of the company, test food and desserts, coordinate suppliers, carry out logistics documents on the day of the event such as minute by minute, flower plan, check list, review of contracts with vendor, perform Excel payments, negotiation with suppliers, confirmation of guests, among others.

In general, CHAUX WEDDING & EVENT PLANNING, LLC are 100% in charge of the wedding and its execution from beginning to end. Usually, 3 people from logistics attend until the end and Ms. María Carolina Chaux Arboleda attends until it is deemed convenient according to her criteria and all the protocol has already passed. Includes the couple's personalized website, this is on the company's main website.

MONTH OF COORDINATION PLANNING 4.000 USD

CHAUX WEDDING & EVENT PLANNING, LLC will offer partial planning services, which limits the amount of services provided to the customers. This is the most affordable option for small events or if a full-time planner is not required. With a lower tier of services provided, partial planning is also more cost-efficient than the full planning service. The month of coordination is about taking care of the last details of the wedding planning, logistics and execution of the event. The bride and groom has given the wedding to the company a month before, as they have 100% of the suppliers contracted at that time. The bride and groom must deliver a folder with all the contracts and proof of payment; besides that, they must send all parties involved in the event an email introducing us as their wedding planners. The company carries out an analysis of the wedding seeing if something else is required that has not been contracted, if things are missing the company makes sure to help them find the missing supplier, negotiate, and contract them. CHAUX WEDDING & EVENT PLANNING, LLC makes a check list based on everything said above for the peace of mind of the bride and groom.

CHAUX WEDDING & EVENT PLANNING, LLC hold meetings with suppliers to coordinate the logistics of the day of the event, carrying out minute by minute assembly, minute by minute of the event and rehearsal which lasts a maximum of 1 hour, if it lasts more than this, an additional 80 dollars will be charged. per hour. The contract includes 2 logistics people for weddings with a maximum capacity of 100 people. For every 50 additional people a logistics person must be added, which has a cost of 250 USD for the day of the wedding (10 hours counted from 2 hours before the ceremony), but Ms. María Carolina Chaux Arboleda would not be present all day, she would only be there for 5 hours (counted from one hour before the ceremony).

There is no carry out confirmation of guests, this is the responsibility of the client, and they must deliver the list of confirmations maximum 10 days before the wedding with all the information on food restrictions, in case they want us to take care of the confirmation of guests, 2 call sweeps, 2 emails, 2 text messages or WhatsApp, this has an additional cost of 500 USD.

If the clients want a bride or groom assistant who is there for 8 hours (counted from the moment you start enlisting), this has an additional cost of 250 USD.

WEDDING DESTINATION PLANNING 8.000 USD

CHAUX WEDDING & EVENT PLANNING, LLC will offer a wedding destination service to those clients whose interests are on marrying abroad with an unforgettable trip for all the guests who decide to accompany them(Wedding Ceremony Is the main service of the company, which is totally focused in delivering the best solution to plan most of the ceremony. This is based on the help and knowledge given by the company to answer questions, offer advice, and coordinate the details on the wedding day.
