2. WHO IS BFF A GOOD FIT FOR?

At BFF, we pride ourselves on being a blank canvas So you can truly create the celebration you envision. This is why we've created an open vendor policy.

Please know that we do not provide Vendor Services as part of the Venue, and we don't require you to use any particular vendor.

Couples who love nature, have a specific vision, value flexibility, want to create a multi-day celebration, or simply want a beautiful and truly unique outdoor venue will likely love BFF.

No two events at BFF are the same. We've seen couples bring in tents, food trucks, bands, DJs, caterers, hold large ceremonies, and small intimate gatherings. The choice is yours!

Some of the more common Services we see couples invest in are:

- Event Planner (we strongly recommend this as events at BFF can have many moving parts)

Peonies typically peak between May and early June; Lavender blooms between late June and early July.
