

Red Clover Inn & Restaurant

When you get married at the Red Clover Inn & Restaurant, the whole property is yours for the weekend. We believe that every wedding should be unique; we allow you and your partner to customize every last detail and build your own wedding package. Our expert staff will work with you and your budget to create your dream wedding.

Our Venue:

Nestled underneath Pico and Killington mountains, the Red Clover Inn is the ideal destination for a beautiful Vermont wedding. Having your wedding at the Red Clover Inn will give you the option to have your rehearsal dinner, ceremony and reception in one place. From small, intimate gatherings in our Inn to large ceremonies held outside in front of our prodigious apple tree, the Red Clover Inn will go above and beyond to create your perfect wedding. Our Indoor capacity is 75 people, and an outdoor event can hold 175 with a tent.

Food:

Our chef will work with you personally to design your perfect rehearsal & reception menus, from the appetizers right down to the desserts. He crafts amazing menus specific to your tastes and to the season, using fresh, local Vermont ingredients and can cater to any personal dietary needs or preferences. Prices vary, starting from \$10.00pp for simple appetizers, and ranging from \$55.00 - \$135.00pp for a full dinner plus 10% tax and 20% gratuity.

Drink:

The bar can be customized with your choice of house liquors, beer can be ordered by the keg, and our wine sommelier can assist you in choosing the right bottle to celebrate your special day. You have the option of a cash bar or a 'consumption bar'; Vermont law will allow us to do a "consumption bar," which is not technically an open bar, but it will appear as an open bar to your guests. This actually benefits you because you are charged for exactly what you consume, and not one huge price for open drinking.
