***RINGS THAT GO BEYOND A CLASSIC STYLE WILL REQUIRE ADDITIONAL WORK BY ME USING A COMBINATION OF SKILL, PUZZLE SOLVING, AND DESIGN. THE AMOUNT OF TIME THAT I SPEND ON EACH RING WILL DEPEND ON YOUR IDEAS AND FINAL DESIGN.*

The cost of your set will be based on your ring design and metal choices. Typically couples spend between \$980-\$2,000 on a set of 14k gold bands. Additional elements like stones and engravings can bring up the total cost. It is important to me that my clients are able to make informed decisions during the designing process, so please let me know if you have any questions at all. When you book your workshop you pay a \$500 deposit fee. This deposit will be applied to your final invoice. You can get a good idea of what the total cost will be by using the breakdown .
