## Packages

the process...

First, choose a coverage package from the list below. Coverage packages may be customized to fit your wedding or event. Tell us about the details of your day, and we will create a package that will be sure to capture each unique moment. Once you choose your coverage option, select the type of finalized footage you desire from the editing add-ons. Choose one or all!

We offer 4K footage on all coverage packages.

### So easy to work with

I simply wanted footage of our wedding day to look back on. I personally didn't feel the need to have a cinematic movie to be made or anything that would be shown on the big screen... [Read more](#)
