with gorgeous bouquets of realistic buttercream flowers

About.

At PEORY L'atelier, our cakes are a feast for both the eyes and taste buds. The Italian buttercream bases of our cakes are adorned with an abundance of meticulously arranged textured buttercream blooms, each expertly formed by building piped layers of velvet-like petals.

Our Seoul-based cake designer, Erika Lee, personalizes each cake to create a truly one-of-a-kind creation for every client and event.

At PEORY L'atelier, we believe in creating beautiful, delicious cakes that make your event truly special. Let us help you design your dream cake and make your event unforgettable.

To reserve your date, you can submit a 50% retainer payment, schedule a tasting session, and we can start working on the cake design.
