The Boathouse is an iconic, full-service venue overlooking the Lullwater in the heart of Prospect Park. The park itself is one of Brooklyn's most treasured destinations and a city landmark. With its Beaux-Arts style, white terra-cotta façade, and French doors opening out to a terrace overlooking the lake, the Boathouse enhances the natural beauty of the park, facing west to capture sunsets over the lake.

Purslane, the Boathouse's exclusive caterer, brings decades of experience to executing weddings of all sizes and styles. Our expertise lies in creating beautiful, seasonal dishes with an eye towards sourcing locally and sustainably. Playing off the detail and sumptuousness of the Boathouse, our chef and full-service catering team will work with you to create a seamlessly executed and memorable event that is reflective of your taste and aesthetic.
